WA-202072915789 Revised	7/29/2020	SMMC: Request for trailer	Assigned to Logistics

## 2. Effective Strategies and Successes

- Walla Walla County Department of Community Health (DCH) met with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Local Health Officer, Prosecuting Attorney and Local Emergency Response Coordinator completing Voluntary and Involuntary Isolation Orders specific to COVID-19.
- Maintain contact with media to keep the public informed.
- Unified Command calls providing regular communication and collaboration.
- Frequent messaging on Facebook, including Spanish-language posts.
- Providence St Mary Medical Center (PSMMC) Population Health team monitoring PUIs and cases, their awareness of community happenings.
- Blue Mountain Action Council (BMAC) food bank distribution in collaboration with Washington National Guard (WNG).
- Southgate Campus Acute Care wing setup.
- Addressing homeless needs for isolation and quarantine during pandemic.
- DCH Environmental Health team consults for prevention planning for essential businesses.
- Controlled access to WalMart, Home Depot, Albertson's and Safeway.
- Procurement of PPE from Washington State Department of Corrections.
- Continued partnership with WNG.
- DCH virtual meetings with LTC/ALF/SNF community to stay connected and updated with open dialogue on COVID-19 status in WW Valley.
- Proactive work on PSA's and infographics with digital marketing company.
- Solid protocol established between Coroner's Office and PSMMC.
- Tyson compliance with DCH/L&I Essential Business Guidelines and testing of employees.
- Delivery of PPE supplies and test kits from UAC SEOC has enabled us to provide much needed protection to our whole community.
- Experience with annual flu immunization clinics and long history of working together gave us the ability to quickly put together a team for testing at the Tyson Plan. 1,290 Tyson employees tested with staff from PSMMC & DCH.
- Aggressive testing at long-term care facilities.

# SITUATION REPORT #95

- Spanish-language PSA's on local Spanish-language radio stations.
- Approval of additional DCH positions and increased hours by the Board of County Commissioners.
- Media specific email and phone number established, the centralized PIO email/phone number is working well and is helping with coordination of interviews.
- Protocols developed by PSMMC to do surgeries for most compelling cases that were delayed.
- Volunteer staffing at DCH.
- DCH/PSMMC/Coroner/Consulate's Office worked together to support a local family with international funeral arrangements.
- PSMMC has done a great job of allocating resources, workers, and supplies for the patients under investigation awaiting results.
- DCH conversations with school districts on distance learning strategies and graduation planning.
- PSMMC tabletop exercise for activation of PSMMC's auxiliary hospital; well attended by community partners.
- Formation of business/economy reopening workgroup. Workgroup team meetings including townhall Q&A with local businesses; webinars to help educate businesses. Continued frequent meetings of the workgroup. Use of Chamber of Commerce website for posting documentation/guidance.
- Washington National Guard deployment extended for support of food bank operations to end of July/mid-August.
- Tour of PSMMC Alternate Care site, DCH isolation and quarantine sites, and Park Manor by DOH Med Surge Branch.
- DCYF, Whitman, and DCH debrief on activation of isolation and quarantine for Master's Ranch – West juveniles; successful collaboration.
- Approval of WWEM part-time temp position for logistics by the Board of County Commissioners.
- 1 nurse and 1 disease investigator on staff over the weekend as cases come in over the weekend.
- All of our cases to date are from a known exposure; we're not seeing community spread.
- Arrival of 36,000 masks for low-income population in time for Governor's face mask mandate. Rapid distribution by Blue Mountain Action Council (BMAC) to nearly 30 agencies and on 6/30/20 at 4 locations in the community.
- With the assistance of DCH, PSMMC received Remdesivir.
- DCH and PSMMC community outreach event at First Fruits; mask distribution and information sharing.
- Reopening workgroup recommendation – though no longer required for businesses, a contact log is a good practice.
- Having COVID safety plans in place at businesses benefits successful response to positive employees, as seen recently at a local restaurant.
- City of College Place Hand sanitizer and mask drive-through distribution on 7/7/20 (300 vehicles) and 7/9/20 (400 vehicles). Handout at their booth at Thursday Farmers Market.
- Meeting on 7/8/20 with DCH/WWEM/USFS/DNR to discuss preplanning for COVID testing, isolation and quarantine.
- Al fresco dining in Downtown Walla Walla and College Place are working well.
- CEPHEID rapid testing machine is now being fully utilized by PSMMC at full capacity.
- Planning for isolation and quarantine of wildland firefighters with use of space at Walla Walla Community College.

# SITUATION REPORT #95

- DCH work with large Oregon employer to coordinate cases with Umatilla County; providing education and resources (Health Fair) for employees.
- Hand washing stations are now available at several locations in Downtown Walla Walla.

## 3. Risks and challenges

- COVID-19 Cases—
  - Total Confirmed Cases: 409
    - Active: 118
      - ❖ Home Isolation: 112
      - ❖ Hospitalized: 6 (Walla Walla County residents)
    - Recovered: 287
    - Deaths: 3
  - Concern for rapid spread at congregated facilities.
  - Cross-jurisdictional coordination with Umatilla County, OR, Benton/Franklin County, WA.
  - Ongoing thoughtful, timely communications.
  - Multiple testing platforms needed to overcome COVID testing challenges.
  - [DCH Spanish-language outreach program to improve messaging to Spanish speaking community.](#)
  - There are production shortages of rapid testing supplies for the new Cepheid machine. PSMCMC is, for now, limited to 180 kits per week.
  - **Critical** shortage of disinfectant; no June or July delivery at the hospital yet. Sourcing is difficult. LTCs also seeing this challenge. Not surface cleaning supplies, but specialized disinfectant for specialized equipment.
  - High rate of COVID cases in neighboring counties in both WA and OR. Continued concerns about nonessential travel to/from these counties causing an increase in our case count.
  - Overlap among counties for services, work, medical care and families.
  - Possibility of moving counties back in phases of the Governors Safe Start reopening plan causing more movement out of affected counties into neighboring counties who are more open.
  - Need to continue to monitor for behavioral health issues.
  - Long test result turnaround time is making it difficult to keep PUI cases under self-quarantine.
  - Case investigation slowed by contacts not answering phone calls from DCH.
  - Asymptomatic testing requests increasing (can impact the time for symptomatic testing turn around if implemented).
  - Lab test turnaround time is still a challenge but improving. Improvements anticipated with LabCorp when they expand their testing capacity in August.
  - Continued increase in number of cases in the community. Gatherings are driving up county numbers, seeing household member transmissions.
  - Governor's orders more restrictive for restaurants.
  - Availability of child-sized masks for those who cannot afford them. (State-level planning is ongoing to supply communities.)
  - Temps well over 100 degrees limiting drive-through testing; Family Medical Center and Providence are limiting hours of operation.
  - Oregon public schools reopening guidance is out; waiting on guidance for Washington schools which may impact local planning.

# SITUATION REPORT #95

- Working with Washington State Department of Corrections for increase in case count at Washington State Penitentiary. State epidemiology notified; PSMMC and DCH are monitoring.
- Valley Transit is cutting back on bus services; could impact veteran's trying to get to and from the Veteran's Hospital.

# SITUATION REPORT #95

## 4. Future operational plans (24, 48, and 72 hours out)

- Emergency Management is activated at **Level 2 – Limited Operations** (virtual, with no face-to-face contact).
- WWEM acting as liaison to Washington National Guard (WNG).
- WWEM coordination with WSDA and Blue Mountain Action Council (BMAC) for Food Assistance Program.
- WWEM continued collection of donations from the community.
- Coordination and communication with Unified Area Command State Emergency Operations Center (UAC SEOC).
- Monitor WebEOC Resource Tracker for delivery of supplies from Washington State to Walla Walla County.
- Submission of new resource requests on WebEOC.
- WWEM distribution of resources.
- DCH weekend staffing.
- Unified Command EOC conference calls; Monday-Thursday.
- Weekly ESF6 Human Services weekly conference calls.
- PSMCM maintaining daily sit reports.
- EMS providers tracking PPE use with CDC PPE Burn Rate Calculator.
- Continue work with the media.
- DCH case investigation/contact tracing of positive cases.
- Continued LTC/SNF/ALF isolation/surge planning/coordination.
- Ongoing communications of the State's 'Smart Start' information down to the local level to ensure local businesses understand the requirements for Phase 2 operations.
- Reopening Business Workgroup:
  - Weekly Business Resource Town Hall (T/Th, 9 am)
  - Added Visit Walla Walla to workgroup
  - Visitor's Center kiosk on Main Street giving out masks
  - Continue 'safe visit' messaging for people coming to Walla Walla from high COVID areas
  - Masks are being given out at hotels, short-term rentals or visitors (Chamber of Commerce distributing to hospitality businesses)
  - Continue distribution of masks (ag and low-income, others)
  - Postcard, to be distributed with masks, are being printed and will be distributed as soon as they are ready; probably late this week.
  - Chamber of Commerce reports that **25 – 30%** of visitors arrive without a face covering and no knowledge of restrictions at restaurants, wineries, and other businesses. They are hearing 'Walla Walla is open.'
- REDi HCC staff are facilitating a weekly regional virtual meeting where leads from local health jurisdictions (public health), Emergency Management, EMS, and healthcare gather virtually to provide updates regarding COVID cases in their county, data trends, response gaps/needs, and successes. They are also facilitating bi-weekly meetings with these agencies that includes the Department of Corrections because of an outbreak at the Coyote Ridge correctional facility.
- The Chamber of Commerce is hosting a [special edition of the Business Resource Town Hall Series](#) today at 10 AM in partnership with the Washington Hospitality Association. WHA President and CEO, Anthony Anton will present a state of the industry speech followed by a town hall with legislators from Southeast

# SITUATION REPORT #95

Washington to discuss key issues faced by the industry including COVID-19 related restrictions and closures.

- DCH working on 30-day extensions for FEMA approval of non-congregate housing for isolation and quarantine.
- Main Street Walla Walla will be closed over the weekend to increase outdoor dining capacity.
- Rite-Aid is now offering self-swabbing testing at their pharmacy drive-through window; 7-10-day turnaround for results. Test is free with no insurance required. An appointment is required. DCH is working with Rite-Aid to ensure that they are giving information to those who are tested about self-quarantining until they get their test results.
